

Lackawanna College

ALLIED HEALTH SPECIALTY PROGRAM INTENT GUIDE

ACADEMIC YEAR 2020-2021

NAME _____

Academic advisors help students coordinate their academic plans while at Lackawanna College; however, students bear the ultimate responsibility for insuring that they meet the requirements for their degree.

Developmental/Additional Requirements:

Based on assessment testing results, students are placed in appropriate level courses (developmental or college level). Students without SAT / ACT / in-house assessment scores will be scheduled for three developmental courses (Reading for College, Basic Writing Skills, and Basic Math Skills). These courses must be successfully completed before a student may enroll in required English / math courses.

	<u>Required</u>		<u>Enrolled</u>		<u>Required</u>		<u>Enrolled</u>
	Yes	No			Yes	No	
DEV 010 Basic Writing Skills	___	___	_____	ENG 102 Fundamentals of Writing	___	___	_____
DEV 020 Reading for College	___	___	_____	ENG 103 Critical Reading	___	___	_____
DEV 030 Basic Math Skills	___	___	_____	MAT 110 Intro to Algebra	___	___	_____

Following are courses that will satisfy core requirements for LC Sonography programs (Cardiac, Diagnostic, Vascular), OTA, Nursing, PTA, or Surgical Technology. Students entering Lackawanna College who are not qualified to enter directly into any of these programs (academically or cohort semester) will pursue this intent guide for the first semester or year. Students accepted under this guide need to meet with an Admissions Advisor each semester and work with their academic advisor to review the specific guidelines/ requirements of their desired program. At the completion of this coursework, the student would need to apply to the individual program of interest. If the student is still not eligible for admission to one of the sonography programs, OTA, Nursing, PTA, or Surgical Technology, he/she must declare a new major. Students also need to be aware that, once accepted into a pre-sonography program, OTA, Nursing, PTA, or Surgical Technology program, coursework must be completed in a two-year timeframe. Completion of the coursework listed below does NOT guarantee acceptance into the intended specialty program.

Semester Grade
Taken Earned

Lackawanna College Core Courses:

- _____ _____ CIS 105/CIS 115 Computer Applications I/II
- _____ _____ COM 125 Effective Speaking
