Following are courses that will satisfy core requirements for LC Sonography programs (Cardiac, Diagnostic, Vascular), OTA, PTA, or Surgical Technology. Students entering Lackawanna College who are not qualified lirectly into any of these programs (academically or cohort semester) will pursue this intent guide for the first semester or year. Students accepted under this guide need to meet with an Admissions Advisor each semester work with their academic advisor to review the specific guidelines/ requirements of their desired program. At completion of this coursework, the student would need to apply to the individual program of interest. If the st still not eligible for admission to one of the sonography programs, OTA, PTA, or Surgical Technology, he/she declare a new major. Students also need to be aware that, once accepted into the pre sonography program, O'PTA, or Surgical Technology program, coursework must be completed in a two-year timeframe. Completion coursework listed below does NOT guarantee acceptance into the intended specialty program. Semester Grade CIS 105/CIS 115 Computer Applications I/II COM 125 Effective Speaking ENG 105 College Algebra* Social Science Elective (Recommended: PSY 105 Introduction to Psychology*) Science Elective** Social Science Elective (Recommended: PSY 105 Introduction to Psychology*) COL 101 Freshman Experience (1 cr.) **Developmental coursework may be a prerequisite for these courses. Credits earned in developmental courses cannot be applied graduation. **Science Elective: Sonography Programs: 310 105 - Human Biology					•
