

# Lackawanna College

## LIBERAL STUDIES/ ENVIRONMENTAL SCIENCE INTENT GUIDE

EFFECTIVE DATE: FALL 2017

NAME \_\_\_\_\_

Academic advisors help students coordinate their academic plans while at Lackawanna College; however, students bear the ultimate responsibility for insuring that they meet the requirements for their degree.

### Developmental/Additional Requirements:

Based on assessment testing results, students are placed in appropriate level courses (developmental or college level). Students without SAT / ACT / in-house assessment scores will be scheduled for three developmental courses (Reading for College, Basic Writing Skills, and Basic Math Skills). These courses must be successfully completed before a student may enroll in required English / math courses.

	<u>Required</u>		<u>Enrolled</u>		<u>Required</u>		<u>Enrolled</u>
	Yes	No			Yes	No	
DEV 010 Basic Writing Skills	___	___	_____	ENG 102 Fundamentals of Writing	___	___	_____
DEV 020 Reading for College	___	___	_____	ENG 103 Critical Reading	___	___	_____
DEV 030 Basic Math Skills	___	___	_____	MAT 110 Intro to Algebra	___	___	_____

Following are 25 credits that will satisfy requirements for either the Liberal Studies or the Environmental Science program. Students entering Lackawanna College who are not qualified to enter directly into Environmental Science can pursue Liberal Studies with the Environmental Science intent for the first semester or year. LBES students need to work with their academic advisor to review the Environmental Science program guidelines/ requirements. At the completion of this coursework, if the student is still not eligible for admission to the Environmental Science program, he/she must declare a new major. Students also need to be aware that, if accepted into the Environmental Science program, they will not be able to complete the remaining coursework in a two-year timeframe.

**Semester Grade**  
**Taken Earned**

_____	_____	CIS 105/CIS 115 Computer Applications I/II
