ACADEMIC YEAR 2022-2023

NAME _____

Academic advisors help students coordinate their academic plans while at Lackawanna College; however, students bear the ultimate responsibility for insuring that they meet the requirements for their degree.

Developmental/Additional Requirements:

Based on assessment testing results, students are placed in appropriate level courses (developmental or college level). Students without SAT / ACT / in-house assessment scores will be scheduled for three developmental courses (Reading for College, Basic Writing Skills, and Basic Math Skills). These courses must be successfully completed before a student may enroll in required English / math courses.

	Required Yes No	Enrolled		Required Yes No	Enrolled
DEV 010 Basic Writing Skills	___ ___	_____	ENG 102 Fundamentals of Writing	___ ___	_____
DEV 020 Reading for College	___ ___	_____	ENG 103 Critical Reading	___ ___	_____
DEV 030 Basic Math Skills*	___ ___	_____	MAT 110 Intro to Algebra	___ ___	_____

Following are courses that will satisfy entry level requirements for the Baking & Pastry curriculum. Students entering Lackawanna College who are not qualified to enter directly into this program will follow the Pre-Baking & Pastry Intent guide for the first semester/year. Students accepted into this Intent program need to work with a Culinary Arts/Baking & Pastry academic advisor to review program requirements. At the completion of this coursework, if the student is still not eligible for admission to the Baking & Pastry program, he/she must declare a new major. Students need to be aware that not all courses will satisfy requirements for other LC programs.

Semester Grade
Taken   Earned   First/Second Semester

Lackawanna College Core Courses:

_____	_____	COL 101 Freshman Experience (1 cr.)
_____	_____	COM 125 Effective Speaking (3 cr.)
_____	_____	ENG 105 College Writing (3 cr)

Baking & Pastry Courses (may fulfill free elective if required):

_____	_____	CIS 130 Hospitality Computer Applications (3 cr.)
_____	_____	CUL 150 Culinary Math (3cr.)
_____	_____	HSP 105 Intro to Gastronomy and Hospitality (3cr.)
_____	_____	BAK 105 Baking Industry Knowledge (3 cr.)

*Students pursuing Baking & Pastry who successfully complete DEV 030 (Basic Math) may enroll in CUL 150 (Culinary Math) in their next semester bypassing MAT 110 (Intro to Algebra). Should the student ultimately not enroll in the Baking & Pastry program, he/she will be required to schedule and complete MAT 110 before enrolling in any upper level math courses.
