

Lackawanna College

PRE-BAKING & PASTRY INTENT GUIDE (Available Scranton)

EFFECTIVE DATE: FALL 2018

NAME _____

Academic advisors help students coordinate their academic plans while at Lackawanna College; however, students bear the ultimate responsibility for insuring that they meet the requirements for their degree.

Developmental/Additional Requirements:

Based on assessment testing results, students are placed in appropriate level courses (developmental or college level). Students without SAT / ACT / in-house assessment scores will be scheduled for three developmental courses (Reading for College, Basic Writing Skills, and Basic Math Skills). These courses must be successfully completed before a student may enroll in required English / math courses.

Following are courses that will satisfy entry level requirements for the Baking & Pastry curriculum. Students entering Lackawanna College who are not qualified to enter directly into this program will follow the Pre-Baking & Pastry Intent guide for the first semester/year. Students accepted into this Intent program need to work with a Culinary Arts/Baking & Pastry academic advisor to review program requirements. At the completion of this coursework, if the student is still not eligible for admission to the Baking & Pastry program, he/she must declare a new major. Students need to be aware that not all courses will satisfy requirements for other LC programs.
