PROFESSIONAL STUDIES/ CYBER SECURITY INTENT GUIDE

ACADEMIC YEAR 2023-2024

NAME _____

Academic advisors help students coordinate their academic plans while at Lackawanna College; however, students bear the ultimate responsibility for insuring that they meet the requirements for their degree.

Developmental/Additional Requirements:

Based on assessment testing results, students are placed in appropriate level courses (developmental or college level). Students without SAT / ACT / in-house assessment scores will be scheduled for three developmental courses (Reading for College, Basic Writing Skills, and Basic Math Skills). These courses must be successfully completed before a student may enroll in required English / math courses.

Following are 28 credits that will satisfy requirements for either the Professional Studies or Cyber Security degree. Students entering Lackawanna College who are not qualified to enter directly into the Cyber Security program can pursue Professional Studies with the Cyber Security intent for the first semester or year. Professional Studies with a Cyber Security Intent (PSCB) students need to work with their academic advisor to review the Cyber Security program guidelines/ requirements. At the completion of this coursework, if the student is still not eligible for admission to the Cyber Security program, he/she must declare a new major. Students also need to be aware that, if accepted into the Cyber Security program, they will not be able to complete the remaining coursework in a two-year timeframe.
